## **Life Coaching Disclosure Form**

**Training and Degrees:** I received my Bachelor's Degree in History with a minor in Education Psychology from Western Washington University in Bellingham, WA. In 2009, I received my Masters of Art Degree in Psychology from Azusa Pacific University in Southern California.

**Life Coaching Description:** My Life Coaching sessions are designed to help you understand the power of communication, relationships, and intrinsic motivation. This comes from my expertise and training in both the media and psychology along with my insight into behavior and human relationships based on my background and continued education in spiritual formation.

Any discussion about suicide or current abuse (i.e. sexual, physical, or emotional) of children, dependents, or the elderly will be deemed outside the jurisdiction of my Life Coaching practice and thus referrals will be offered to a mental health counselor or other appropriate party.

**Scheduling Appointments:** Appointments are generally made on a regular, weekly basis. Appointment times are not automatically held open for you from week to week. It is your responsibility to reschedule at the end of a session.

**Contact Information:** You may leave me a message at (206) 778-2686. I will check these messages on a regular basis. Please limit your phone conversation needs to appointment scheduling.
